- B. Notwithstanding the provisions of this Article, management, confidential, professional, supervisory, temporary, seasonal, and employees in the exempt services shall not be included in the Bargaining Unit. All classifications not specifically established herein as being included in this unit shall be excluded from the bargaining unit unless determined otherwise by the appropriate tribunal under the operation of applicable law (O.R.C. 4117) and/or per this Agreement.
- C. The Employer retains, pursuant to the Ohio Revised Code Chapter 4117, the right to create or establish new positions, delete classifications or positions, and retain, reallocate, or modify positions from the unit in compliance with the provisions of this Agreement and Article 34 herein. The Employer agrees to inform the union of any said changes. The Employer agrees to negotiate hours, wages, benefits, terms, and conditions of employment concerning any new classified positions.

If in the event the parties are unable to reach any such mutual agreements the parties shall submit any such dispute through the grievance procedure herein or to the S.E.R.B.

SECTION 2.

The Employer agrees to make information available to the Union on all matters having an effect upon the employee's wages and/or working conditions of employees in the established Bargaining Unit.

SECTION 3.

Meetings of committees of the Union shall be permitted on City property upon advance approval of the Safety-Service Director or his designee.

SECTION 4.

Consultation, negotiations, and other representative activities between the Employer and the Union necessary to further the purposes of this Agreement are recognized as a proper part of the conduct of the Employer's business and shall normally take place during duty hours. Bargaining unit employees shall be permitted time during duty hours, without loss of pay or benefits, to perform these functions, provided they notify their immediate supervisor before engaging in such activities. Such privileges shall not be abused by the Union or its members, nor will permission be unreasonably withheld by the City.

SECTION 5.

The Employer agrees that no more than two (2) representatives of the American Federation of State, County and Municipal Employees, Ohio Council 8, and or the International Union shall be admitted to the Employer premises and sites at any one time during working hours for the purpose of processing grievances, consultation, or attending meetings as provided herein. The Union agrees that such activities shall not interfere with the normal work duties of employees and advance notice shall be given to the Safety-Service Director and Mayor prior to such activities.

SECTION 6.

The Employer and the Union agree to work together for the mutual benefit of the employees, the residents, the Employer, and the Union. The Employer and the Union shall establish labor-management cooperation committee (hereinafter referred to as "the LMC") with the following general purposes and objectives:

- A. To improve communication between representatives of labor and management.
- B. To provide workers and employers with opportunities to study and explore new and innovative joint approaches to achieving organizational effectiveness.
- C. To assist workers and employers in resolving issues of mutual concern not susceptible to resolution within the collective bargaining agreement.
- D. To enhance the involvement of workers in making decisions that affect their working lives.
- E. To expand and improve working relationships between employees and their employer.

The parties agree to meet and discuss issues of concern and importance to each consistent with the foregoing enumerated LMC purposes and objective. The LMC will consider matters affecting labor-management relations between the parties and seek to recommend measures to improve such relations; provided, however, the LMC shall not engage in negotiations nor collective bargaining process.

Such LMC meetings will occur as requested by either party, with a goal to meet quarterly, and then scheduled by mutual agreement. The Party requesting the LMC meeting shall submit a written agenda at the time the request is made, and the other Party may submit

items for discussion that will be included in the final written agenda. At a minimum, the agenda will support strategic initiatives undertaken by any statewide labor management committee of Employer or Union that the parties belong to.

Each party shall designate the number and names of its representative(s) to the LMC, and the committee membership may vary from meeting to meeting based on the agenda items or for other reasons, however, the LMC committee will consist of no more than four (4) bargaining unit members and four (4) management representatives.

Committee members will be paid if they are scheduled to work at times of the LMC meeting and other Committee members may attend the LMC. Decisions made at the LMC meetings shall not be binding upon the Parties unless they are reduced to writing and signed by the parties. The LMC committee shall not have the authority to alter the terms of this Agreement, nor have the authority to bargain, nor reach an agreement over any terms and conditions of employment. This section shall not be subject to the grievance and arbitration provisions of this Agreement.

SECTION 7.

In the interest of sound labor/management relations, the Employer or his/her designees shall meet, when necessary, with no less than three representatives of the Union to discuss pending problems, contract administration, and to promote a more harmonious labor/management relationship. An agenda will be furnished by the party requesting the labor/management meeting at least three working days in advance of the scheduled meeting with a list of matters to be discussed and the names of those attending representing the party.

SECTION 8.

The Union shall provide to the Employer an official roster of its Union Officers, Stewards, and Representatives which is to be kept current. The Union Representatives shall confine their Union activities to the investigation, processing of grievances and the maintenance of this Agreement and shall notify their immediate supervisor prior to beginning any such activities.

The Employer will recognize the President and Chief Steward for purposes of filing grievances, as well as up to three (3) stewards throughout the City.

SECTION 9.

The Employer shall provide bulletin boards for AFSCME Local 2571, Ohio Council 8. Such bulletin boards shall be placed in all work areas where employees usually congregate. The Union shall post meeting notices, legislative bulletins, and other pertinent information relating to Union activity.

The Union agrees not to post any material of a scandalous, scurrilous, or derogatory nature about the City Administration and/or any candidate for public or Union office, nor any personal attack upon any other employee of the City.

SECTION 10.

- A. The Employer and the Union agree that membership in the Union is available to all employees in the bargaining unit, as has been determined herein after thirty (30) days employment.
- B. The initial probationary period shall be one hundred and twenty (120) days for all employees covered under the Public Employees Retirement System.

SECTION 11.

The Employer agrees to deduct regular Union membership dues once per month from the pay of any employee eligible for membership in the Bargaining Unit upon receiving written authorization signed individually by the employee. The signed payroll deduction form must be presented to the Employer by the Union President and/or Union Treasurer. Upon receipt of proper authorization, the Employer will deduct Union dues from the payroll checks for the pay period in which the deduction was received by the Employer.

Payroll deduction authorization shall be on a form provided by the Union and approved by the Employer.

It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provision of this Section and the Union agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings by any employee arising out of deductions made by the Employer hereunder. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

The Employer shall be relieved from making such "check-off" deduction upon (a) termination of employment, or (b) transfer to a job not covered by the Bargaining Unit, or (c) lay-off from work, or (d) and agreed leave of absence and/or revocation of the "check-off" in accordance with the Union's Checkoff Agreement.

The Employer shall not be obligated to make dues deductions of any kind from an employee, who during any due's month involved, shall have failed to receive sufficient wages to equal the dues deduction.

It is agreed that neither the employees nor the Union shall have any claim against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer, in writing, within 90 days after such error is claimed to have occurred. If such an error is found, it will be corrected at the next pay period in which Union dues will normally be made. Payroll collection of dues shall be authorized for the exclusive

Bargaining Agent only and for no other organization attempting to represent the employees within the Bargaining Unit as herein determined.

One-month advance notice shall be given the payroll clerk and City Auditor prior to making any changes in the individual's dues deduction. The Employer agrees to furnish the Treasurer of the Union a warrant in the aggregate amount of the deductions.

Deductions provided for in this Section shall be made during one pay period each month. In the event a deduction is not made for any Union member during any particular month, the Employer, upon written verification of the Union, will make the appropriate deduction at the next dues deduction period if the dues deductions do not exceed the total of two months regular dues.

Each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this agreement and/or the term of recognition of the Union.

Employees who are members of the union may revoke their union membership at any time by sending written notice to the Union of their desire to drop their union membership. Revocation of union membership does not revoke union dues authorization, which may only be revoked as set forth in the paragraph below.

An employee who has submitted a dues checkoff authorization card may withdraw or revoke the same at the time and in the manner specified on the dues checkoff authorization card signed by the employee or as amended by the Union if the amendment specifies a shorter revocation period than one fifteen (15) day period tied to the end of the collective bargaining agreement. Copies of employees' dues checkoff authorization cards are available from the Union upon request.

All dues' deductions shall be deposited via electronic ACH transfer payment into the commercial bank account of Ohio Council 8, AFSCME, AFL-CIO no later than fifteen (15) days following the end of the pay period in which the deduction is made. The Union shall provide the Employer with authorization to make deposits into the financial institution utilized by the Union along with the routing number and account number of the Union's account. It is the Union's responsibility to notify the Employer in writing of any change to the Union's account information.

Additionally, the Employer shall email, with each deduction and transmittal of dues/fees, the following lists of information in Excel or Text format to oc8dues@afscme8.org, subject line: Local 2571, Pay date --\--\--:

SECTION 12.

The Union shall indemnify, defend, and hold the City, its agents, and employees harmless against any claim, demand, suit, or liability (monetary or otherwise), and for all legal costs arising from any action taken or not taken by the City, its officers, officials, agents, and employees in complying with this Article.

SECTION 13.

Each month, if there is a change, the Employer will provide the Union President a copy of a personnel action status sheet, showing name, job classification, department and indicating the date of action of the bargaining unit employees who are hired, promoted, permanently or temporarily transferred, suspended, terminated, or resigned, or returned from leave of absence.

SECTION 14 – New Employee Orientation

The Union shall have the opportunity to attend new employee orientation sessions conducted by the employer. The Employer shall provide notice at least ten (10) days prior to such sessions.

The Union shall have thirty (30) minutes during the session to explain contractual rights and introduce new employees to the Union.

In the event the Employer does not hold a formal orientation within thirty (30) days of the initial employment of an employee, the Union shall be provided with the name of the employee and his/her duty location and the Union shall have an opportunity to meet with the employee for thirty (30) minutes on duty time to explain contractual rights and introduce new employees to the Union.

ARTICLE 3 PLEDGE AGAINST DISCRIMINATION AND COERCION

SECTION 1.

The provisions of the Agreement shall be applied equally to all applicants for employment, and the Employer and the Union agree that there shall be no discrimination against any employee on account of race, color, religion, sex, national origin, age, disability, gender identity, genetic information, military status, sexual orientation, political opinions or affiliation, union membership, or activity, or ancestry. The Employer further states and the Union approves that no such discrimination shall be practiced against any applicant for employment. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

SECTION 2.

All references to employees in this Agreement shall designate both sexes, and wherever male or female gender is used it shall be construed to include both female and male employees.

SECTION 3.

The Employer agrees not to interfere with the rights of employees within the bargaining unit to become or remain members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Employer or the Employer's representatives against any employee representative acting in an official capacity on behalf of the Union.

SECTION 4.

There shall be no discrimination, interference, restraint, or coercion by the Union or its representatives against any employee within the bargaining unit exercising the right to join or abstain from membership in the Union or participating in the Union.

SECTION 5.

The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint, or coercion.

ARTICLE 4 PROGRESSIVE DISCIPLINARY PROCEDURE

SECTION 1.

No employee shall be disciplined without just cause. If the employee is suspected of charges wherein dismissal or reduction in pay is likely to result, the Employer shall serve the Union a copy of the specified charges and shall first have a hearing with a Union Representative present.

SECTION 2.

Disciplinary action shall consist of the following, in this order:

- A. First violation will subject the employee to no more than an oral reprimand.
- B. After the second occurrence of a similar violation, and having had an oral reprimand, the employee is subject to no more than a written reprimand.
- C. Upon the third occurrence of a similar violation, and after having had an oral and a written reprimand, the employee is subject to a suspension of no more than one day.
- D. Continued violations after the previous steps have been taken may subject the employee to a suspension of not more than three days.

- E. Continued violations after the previous steps have been taken may subject the employee to further suspension or dismissal.
 - 1. If in the event such first, second, third, or fourth violation is of such a grievous nature as to jeopardize the safety, health, or general welfare of the citizens of Bellevue or its employees, in that event, the violations shall subject said employees to immediate suspension or dismissal.
 - 2. In the event the employee commits an action such as, but not limited to stealing, drunk on duty, etc., said employee may be suspended or dismissed pending a proper and full hearing between the parties.

SECTION 3.

- A. An employee may appeal any disciplinary action through the Grievance Procedure herein and, in the event a disciplinary action is overruled, the employee shall be fully reinstated with all back pay and shall have his or her record cleared of those cited charges. In the event a disciplinary action is not totally set aside, the employee shall receive back pay and benefits as deemed appropriate by the final hearing on the appeal.
- B. The parties agree that major infraction shall be considered as follows: offenses of theft, embezzlement of public funds, being under the influence of alcoholic beverages or abusive drugs during working hours, physical violence, offenses involving gross misconduct or gross insubordination, and for willful and wanton violations of the work rules and procedures of the employee shall be subject to more disciplinary action rather than the steps of the progressive disciplinary procedures above.
- C. Oral and written reprimands will cease to have force and effect 18 months after the effective date of the reprimand. Suspensions shall cease to have force and effect 24 months after the effective date of the suspension. However, if there is an intervening discipline of a similar nature during the initial time period the previous discipline will remain active for an additional like period (i.e., 18 or 24 months) beginning with the effective date of the intervening discipline.

SECTION 4.

The Parties agree that any appeals regarding matters covered by this contract are required to be filed through the grievance/arbitration procedure of this Contract only.

ARTICLE 5 GRIEVANCE/ARBITRATION PROCEDURE

SECTION 1.

The term grievance shall mean an allegation by a Bargaining Unit employee that there has been a breach, misinterpretation, or improper application of this Agreement. The grievance form shall identify the subject matter of the grievance and the Articles of the Collective Bargaining Agreement allegedly violated.

SECTION 2.

All grievances must be processed at the proper step in the progression in order to be considered at the subsequent step except for grievances involving matters which cannot be resolved by the supervisor. Grievances shall be submitted to the lowest step of the Grievance Procedure which contains an Employer representative who has the authority to resolve the grievance. Any grievances shall be submitted initially at Step 1. Any grievances not answered by management within the stipulated time limits may be advanced by the employee or the steward to the next step in the Grievance Procedure. All time limits on grievances may be waived upon the mutual consent of the parties.

SECTION 3.

The following steps shall be followed in the processing of a grievance:

Step 1. A grievance must be processed through an oral discussion between the aggrieved employee and/or the steward and the immediate supervisor as a preliminary step prior to pursuing Step 2 of the Grievance Procedure. A grievance must be presented at the time the incident giving rise to the grievance occurs or within ten (10) working days after knowledge of the grievance. If the grievance is not resolved at this step, the supervisor shall give his written answer within two (2) working days:

Step 2. If the grievance is not satisfactory to the Employee/Union from Step No. 1, the Union/Employee shall appeal said grievance within five (5) working days of receipt of the answer from Step 1 to the Department Head, Mayor, and/or Safety-Service Director, whichever is appropriate.

The parties shall have a full hearing with the Employee/Union Representative present and the Safety Service Director/Department Head present. The hearing shall be held within five (5) working days of receipt of said appeal grievance from Step 1 above.

The Employer representative shall give his written answer to the grievance within five (5) working days of the hearing to the Union/Employee Representative with the written concurrence of the mayor.

Step 3. With mutual agreement, grievance mediation may be utilized by the parties after Step 3 of the Grievance Procedure is completed. Either party may request to mediate by forwarding a written request within fifteen (15) workdays following the Step 3 answer. If the City and the Union mutually agree to mediate, the timelines for filing a request for arbitration will be suspended subject to the mediation procedure. A party refusing mediation must give written notice of refusal to the other party within ten (10) workdays of the receipt of the request to mediate. If mediation is refused, applicable time limits for appealing a grievance to arbitration contained in this collective bargaining agreement shall commence on the day the refusal notice is received.

The parties agree to use the services of the Federal Mediation Conciliation Service (FMCS), the State Employee Relations Board (SERB) or other mutually agreed upon mediation service. Notices of mediation requests are to be signed by both parties and forwarded to the mediator by the moving party. Should the availability of a mediator unnecessarily delay the processing of a grievance, in the opinion of either party, then either party may withdraw its consent to mediation by notifying the other party in writing. The grievance may then proceed to arbitration.

The Union may be represented at the mediation by the President, the Chief Steward or a Steward designated by the President, the grievant and a representative of AFSCME Ohio Council 8. The City may in its discretion determine the number and the makeup of its representatives. Each party shall have one principal spokesperson at the mediation conference, who shall have the authority to resolve the grievance.

Any written material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference.

The mediator may, however, retain one copy of the written material to be used solely for the purposes of statistical analysis.

Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at the grievance proceedings, the rules of evidence will not apply, and no record of the mediation conference shall be made.

The mediator will have the authority to meet separately with any person or persons but will not have the authority to compel the resolution of the grievance.

Step 4. Should any grievance remain unsettled after the exhausting of the above procedure, either party hereto, and only either party, shall, if the party

desires, demand arbitration within ten (10) working days after failing to settle the grievance, by serving notice to the other party. The arbitrator shall be appointed by mutual consent of the parties, and they shall jointly petition the Federal Mediation and Conciliation Service for a panel of seven (7) qualified arbitrators and the parties shall select a single arbitrator from such panel.

The arbitrator shall not be empowered to rule contrary to, to amend, to add to, or to eliminate any provisions of this Agreement.

Expenses shall be borne equally by both parties.

SECTION 4.

The Employer and the Union will develop jointly a grievance form. The grievance form must contain the name of the employee filing said grievance. The Union shall have the responsibility for duplication, distribution, and their own accounting for grievance forms. Said form shall include a space for the Employer to indicate date received and date answered. (See Appendix B.)

SECTION 5.

Where a group of employees' desires to file a grievance involving a situation affecting every, or each Bargaining Unit employee in the same manner, one employee selected by such group will process the grievance as a "class action" grievance.

SECTION 6.

- A. The Parties agree that for purposes of grievances and all other matters, related to this Collective Bargaining Agreement, Bellevue City Ordinance 19-15 mandates that the City Auditor shall be considered the Supervisor and Department Head for all classified employees in the Finance Department.
- B. All Finance Department matters unresolved may be appealed to Step No. 2. The Auditor will attend and administer the Step No. 2 hearing prior to any grievance being appealed directly to Arbitration.
- C. For all other Unit members not employed in the Finance Department, the Safety-Service Director shall be considered the Step No. 2 Officer.

SECTION 7.

The parties hereby agree that employee(s) filing grievances within this bargaining unit, on a Contract violation, must file said grievance or appeal only under this contract.

ARTICLE 6 WORK SCHEDULE

SECTION 1.

The Employer agrees to post all regular shift work schedules fifteen (15) days in advance of their effective date. The posting shall be where the affected employees can see them. Any changes in the regular work schedules shall be preceded by five (5) days advance notice to the affected employee.

In case of personal emergencies (i.e., funerals, sickness) schedules can be changed with a 48-hour notice.

SECTION 2.

The Employer agrees for the life of this Agreement that it shall not split or change the regular work shifts, days, and/or hours to prohibit overtime.

SECTION 3.

The Employer agrees to reduce to writing its staffing plans, including the number of employees on any shift. Seniority will be the determining factor for shift determinations among those employees who are qualified to do the required work. Options shall be exercised by employees at times when death, quits, retirements, terminations occur, and employees will work their regular shifts until such time as necessary changes are required.

ARTICLE 7 LEAVES OF ABSENCE

SECTION 1. JURY DUTY

Employees shall receive full pay for regularly scheduled working hours for any day when the employee is required to appear before any court for jury duty by United States or Ohio courts. Any fees received by an employee for jury duty shall be remitted to the Employer unless such duty is performed totally outside scheduled working hours for such employee. It is understood that an employee released from jury duty prior to the end of his/her scheduled workday shall report to work for the remaining hours, after being given a reasonable period of time to change clothes to prepare for work duties if in the event that remaining work is of four hours or more.

SECTION 2. MATERNITY LEAVE

- A. The Employer shall follow the Family and Medical Leave Act of 1993 as amended in 2008.

SECTION 3. MILITARY LEAVE

- A. The Employer agrees to entitle all employees to the provisions of the Ohio Revised Code.

SECTION 4. EDUCATION LEAVE

- A. Educational leave without pay may be granted to employees upon approval of the Safety- Service Director. Said leave shall not exceed six months.
- B. The Employer agrees that employees selected to attend work related educational classes, or schooling shall not lose time or pay for attending. The Employer shall equally distribute opportunities to attend such classes among qualified employees as far as practical and subject to individual subjects of training.
- C. Upon returning from an approved education leave of absence without pay, the employee shall be given first preference on job vacancies or new positions in the classification he or she left. An employee on an unpaid education leave shall not accumulate seniority or benefits during the period of absence but shall retain previously accumulated seniority when he is reinstated following said leave. Those employees transferred, hired, or otherwise working in the temporary vacant position shall immediately be replaced by the returning employee from such leave.

SECTION 5. BEREAVEMENT LEAVE

- A. In the event a retired City employee or active employee dies, the mayor may grant time off for City employees to attend the funeral.
- B. A regular employee who is absent from work due to a death in the employee's immediate family: father, mother, wife, husband, son, daughter, brother, sister, grandchild, grandparents or employee or employee's spouse's, mother, father, grandparent, shall be granted up to four (4) working days leave of absence with no loss in pay. Bereavement leave shall be granted for the employee to attend the funeral, or memorial service, make funeral or memorial arrangements, and to carry out other responsibilities relative to the funeral. Employees shall receive bereavement leave only for those days on which they would have otherwise been scheduled to work.

A regular employee shall be granted a two day leave of absence with no loss in pay for the bereavement of the employee or employee's spouse's brother-in-law, sister-in-law, brother or sister, son-in-law, daughter-in-law, aunt, uncle, niece, or nephew.

If the employee is required to travel more than one hundred and fifty miles from Bellevue, due to the death of a member of the family as listed above, an absence of one additional day with no loss in pay shall be granted.

- C. In the event an employee is the administrator of the estate, the Safety-Service Director may authorize additional leave to complete funeral or memorial arrangements. If additional leave is authorized it shall be deducted from the employee's accumulated sick leave (for immediate family), or accumulated vacation or personal leave days as requested. Said leave shall not be denied without just cause.
- D. The definition of days hereto is defined as any day of the week (7 days) which can also be a Friday, Monday, or Wednesday, for the purposes of the observation of this Section.

SECTION 6. PERSONAL LEAVE OF ABSENCE

An employee may be granted a personal leave of absence, without pay, upon approval of the Safety-Service Director. Requests for a personal leave shall be submitted to the Safety-Service Director seven (7) working days prior to the requested effective date of said leave and shall include the reasons for the intended absence. The Safety-Service Director shall determine the merits of the requested leave and approve or deny the request within three (3) workdays after receiving it.

Upon returning from an approved, unpaid leave of absence without pay, the employee shall be given first preference on job vacancies or new positions in the classification he or she left. An employee on an unpaid personal leave shall not accumulate seniority or benefits while on such leave but shall retain previously accumulated seniority when reinstated following said leave.

SECTION 7.

Employees shall retain all seniority rights and provisions of this Agreement while on paid leaves of absence.

ARTICLE 8 SUPERVISORY EMPLOYEES/DISPLACEMENT

SECTION 1.

The Safety-Service Director, Chief Operator (Superintendent) Wastewater Plant, Chief Operators (Superintendent) Filtration Plant, and Street Superintendent shall not perform work normally performed by employees in the Bargaining Unit and ordinarily assigned to regular full-time employees covered by this Agreement, unless the parties have jointly endorsed a written authorization for said work.

This Section shall not be construed to prevent the Safety-Service Director, Chief Operator (Superintendent) Wastewater Plant, and Chief Operator (Superintendent) Filtration Plant from investigating a complaint or problem to determine the necessity for assigning a crew and equipment to the problem, or from performing work during emergency situations along with all available employees, unless the parties have jointly endorsed a written authorization for said work. B. Reference to Government Title or Position & Appearance of Official Sanction

Employees shall avoid using their titles or positions in any manner that would create an appearance that the Government sanctions or endorses their activities or those of another. Also, social media shall not create the impermissible appearance of governmental sanction or endorsement.

C. Recommending and Endorsing Others on social media

Social media networks, particularly those focused on job seeking, sometimes allow users to recommend or endorse the skills of other users. Employees may use social media to make such recommendations or endorsements in their personal capacity.

D. Disclosing Nonpublic Information

The Standards of Conduct prohibit employees from disclosing nonpublic information to further their private interests or the private interests of others. Employees must follow the rules regarding the disclosure of nonpublic information when using social media.

Flexibility will be provided in circumstances demanding immediate attention.

PERSONAL USE OF COMPANY PROVIDED CELLULAR TELEPHONES

The City may issue a business cell phone to an employee for work-related communications. These phones are to be used for business reasons only. Phone bills may be audited to ensure no unauthorized use has occurred. Personal calls shall be limited to emergencies only. Employees in possession of city-owned cell phones are expected to protect the equipment from loss, damage, or theft.
